

Queen Margaret University
EDINBURGH

At Queen Margaret University, our vision is to be a university of ideas and influence.

Our mission is to foster intellectual capital with both a theoretical and practical focus, giving students and staff the confidence to make a real difference to the world around them.

We are known not only for excellent, relevant teaching, research and knowledge exchange but also for the care and respect we give our students, staff and partners. As a thriving campus university we strive to create a community without borders, helping to improve people's lives locally, nationally and internationally. We are ambitious and enterprising, and, in everything we do, we are committed to social justice.
